TO THE MILLION!

READ AND JUDGE FOR YOURSELF

PROFESSOR WOOD'S Hair Restorative is no doubt the most wonderful discovery of this age or progress yet will restore, permanently, gray hair to its original color, cure itching scalp, remove all dandruff, cure itching, cure all Scrophulous and other cutaneous eruptions, such as scalp disease, ringworm, etc., cure all itchy moles, nervous periodic headache, make the hair soft, glossy, wavy, and preserve the color perfectly, and the hair from falling out. It has cured more than half a million persons, more than one hundred thousand to the truth of every word we have written. See circular and the following:

I have used Prof. Wood's Hair Restorative, June 29, 1885. I have admitted my wonderful effect. My hair was becoming, at that time, quite turning gray; but by the use of his Restorative it has returned to original color, and I am now permanently so.

CAROLUS OWEN.

[illegible]

and it was very thin on the top of my head, and very sore and pulled out freely; but I found that before I had used the second bottle of medicine (which I already had used) my hair had entirely changed to its original color (light brown) and I now grow from abundant and quite moist. I have had my hair cut on the sides since I came to the hospital, and I have seen nothing like white hair starting to grow again. It is now as thick as it ever was, and does not come out at all. It has proved to my case all that it is worth for or any other.

Yours, &c.,
DANIEL N. MCPHERY.

July 1, 1864.

GARFIELD, Me., June 30, 1864.

My Dear Doctor Sir:—I have used two bottles of Dr. Woods' Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the color of the hair. I have used it for several months, and my hair has now attained its original color. You can truly pronounce it to the world without the least fear, as my case was one of the worst kind.

Yours, &c.,
DANIEL N. MCPHERY.

St. Louis, March 7, 1864.

Prof. Wood:—My hair commenced falling off some time since I commenced using your Restorative, and I have not been able to get it quite bald. I tried all the popular means, but without success, but to no effect. At last I was induced to try your Restorative, and I have now the pleasure to say I have recovered my hair, and have no more to be said. I am, Sir, very respectfully recommended to all similarly afflicted.

A. C. WILLIAMSON,
St. Louis, June 28, 1851.

Prof. Wood:—As you are about to prepare and send your recently discovered Hair Restorative, and as you are so good as to mention my name in connection with it, I will send you a few words, very brief, and after using two bottles of your Hair Restorative, it assumes its original color, and is growing again, and I am very much pleased with the result, and I have been troubled with too disagreeable itching of the scalp. I am acquainted with one who is without hair, and he attributes the loss of his hair to the use of cheaply offered. I am prepared, therefore, to recommend your Restorative to all who are desirous of having a beautiful head of hair.

I am, Sir, very respectfully,
H. L. STERNAUT.

DR. WEAVER'S

IT IS AN UNDISPUTABLE FACT that the above medicines are the only infallible remedi-
cines now before the public for cutaneous eruptions. Salt Rheum,
Eczema, Itch, Scabies, Old Pimples, Scalds of the Face,
Scrofulic Knapplings, &c.

Cases that the most eminent Physicians have dis-
cussed and have been obliged to treat with the above
and when used in accordance with the gen-
eral directions which accompany each bottle, the Erysi-
pelas, Eczema, Itch, Scabies, &c. are cured in
the shortest time, and the sufferer without a blemish. These medicines
are well known to require anything more than a plain
statement of facts to induce the patient to use them
duly from East, West, North and South, of where
they are so preforming.

It is, as is said by those who have used these medi-
cines:

The Rev. Samuel Henry, of Palmer, Mass., says, "I
have used them all, and find all the other medicines
have used for Erysipelas."

Capt. William Vail, of the Steamer Granite State, and

Head of six years' standing. She was literally covered with sores; is now perfectly cured by the use of the Syrup.

Dr. A. J. Johnston, of North Wardboro, Vt., says,
Scrofulous disease of the hip joint, and Scald. He had in
his family a child with the disease of the hip joint, and
New August Boies says, "It has cured the Salt Rheum
my leg."

Charles Fraser, Esq., editor of the Somerset
Somerville, N. J., says "My mother has been completely
cured of a severe case of Tetter of long standing, that
had been on her face for many years, by the use of the
Lion-Jell Lintels of East Lyme, Conn., says, "I
completely cured of Erysipelas in my legs, after a con-
siderable time, by the use of the Syrup of Sassa-
parilla, and the Lintels of East Lyme, Conn., says,
disease heretofore, at my age which was seventy-five
years, but Weaver's Syrup and Geralt did the work
of the Lintels."

Miss Latham, Reg. of Orient, Long Island, N. Y.,
kindly kindly how to express my gratitude to you for
the Syrup of Sassa-parilla, which has cured me of
years with Salt Rheum in its worst form. I tried sev-
eral Physicians in New York, Brooklyn and Greenport. I

point, but they did not lose weight. I have taken your medicine one year, and am now able to walk and sleep as well as I ever was. I am, Sir, your obedient servant, and a most grateful man on the Island."

W. S. NICHOLS, Esq., of London writes, "I have used the Syrup and Gerate, for my family for several years, and I consider it completely adapted to maintain the health of the most delicate children, and to remove a great number of cases for St. Rheum and Erysipelas, with little or no pain."

Dr. FRISBURY, of Toulon, says, "The medicine will do; ask William Barber, of Three Mile Bay, J. Co. N. Y., what the Syrup has done for him; ask G. K. W. H. B. Boynton, of Perth Amboy, Vt.; ask A. G. Kent, of New York; ask Wm. C. Smith, of New York; ask Wm. J. Maser, ask Wm. J. Keables, or Wm. F. Benjamin, Esq., New London; ask Dr. H. M. Murdoch, of Pulaski, N. Y.; ask Dr. J. C. Smith, of New York; ask Dr. J. C. Smith, of New York, after losing his leg by the disease, and suffering years, has been perfectly cured by the use of the Syrup and Gerate. Dr. J. C. Smith, of New York, has been cured of a severe case of St. Rheum; ask Chas. A. of Hamden, N. Y., what the Syrup and Gerate will do for you."

what it will do for Fever Sore. In a word, ask every boy who has ever tried these wonderful medicines, and the answer will be **BRONN'S CURE**.
